Helping community members in their time of need is one of the most rewarding things you could ever do

The volunteer ambulance officers at Mallala do a great job providing a 24-hour local ambulance service, but it’s hard to fill the day shifts.

We’re sure you value a local ambulance service just as much as we do. In an emergency, you’d want an ambulance for yourself or your family member pronto. We’re sure you value a local ambulance service just as much as we do. In an emergency, you’d want an ambulance for yourself or your family member pronto. Without the local ambulance service, but it’s hard to fill the day shifts.

We also need more people to volunteer with us in order to keep our service at the same high standard. Without more local volunteers the ambulance crew may have to come from a neighbouring town—or even further away.

All you need to commit to is initial and regular training and then going on the roster for 30 hours per month.

People who have some time available during the day, or who have a supportive employer who would allow them to respond to ambulance cases if needed while at work, are especially needed. SA Ambulance Service (SAAS) can reimburse employers for employee wages during the time they’re away on an ambulance case.

Helping community members in their time of need is one of the most rewarding things you could ever do. That’s certainly what we’ve found.

Call 1800 655 306 or SAAS Volunteer Team Leader, Patricia Kakoschke on 0417 893 966 to find more about becoming a volunteer ambulance officer at Mallala.
We are still waiting to hear back form DECD transport regarding the over capacity issue on the Farnham’s run. A plan has been made to find seats for eligible students who are still waiting but it needs to be approved and this is out of our hands. Apologies for the inconvenience this may be causing.

Unfortunately I need to notify you that Peggy Webb, our wonderful canteen manager lost her battle with cancer on Wednesday. I am sure that the entire school community would like to pass on their deepest sympathy to her husband and sons. Peggy will be missed greatly by all those who had the pleasure of knowing her.

Life Be It

On the 13th February Life Be In It came out it to work with our year 6’s and 7’s. They participated in a range of team building activities including using a parachute to propel a student into the air. Even the teachers and school counsellor had a go.

From time to time some of our students have mishaps and require a change of pants. If you have any second hand shorts, pants or skirts in a variety of sizes that you would like to donate. We could also do with some NEW (for health reasons) underwear. Please bring any donations to the front office.

Congratulations to these students, they have not had a day off so far this term. Well Done.
