**Twins Pupil Free Day** - 2nd April

The last few weeks of term 1 are promising to be very busy with lots happening around the school, throw in the Easter long weekend and Pupil Free Day and it's nearly holidays! Parent/Teacher Interviews will be held next week. Notes should have gone home last Friday from your child's classroom teacher. If you haven't received a note and/or haven't made a time yet please contact the school. Parent/teacher interviews give you the opportunity to discuss your child's progress as well as address any concerns/queries you may have.

The Governing Council AGM will be held next Wednesday 27th March at 7.15pm in the staffroom. We invite parents to attend this meeting where reports will be tabled about the school's work in 2012. We also invite parents to nominate for Governing Council membership. Governing Council meetings are held twice a term. Parents can nominate for Governing Council at the meeting on the 27th March or by contacting the school prior to the meeting.

This year we again have funding for a Reading Support Teacher in the Junior Primary. The role of the teacher is to support staff to build on existing teaching and learning programs in reading, ensuring a consistent whole school approach to reading improvement. This year Angela Dickinson will be released from her class one day per week (Wednesday) to take on this role. We welcome Wendy Cowie who will be taking Angela’s class on a Wednesday. Wendy is already known across the school as she is a regular relief teacher. She works exceptionally well with Junior Primary students.

This year we were invited to express interest in a new initiative to support literacy and numeracy improvement through the National Partnerships program. I am pleased to announce that our expression of interest to participate in the program has been approved. This means that next term we will appoint a two day a week coordinator to focus on literacy and numeracy improvement for students year 4 - 7 who are at or below the National Minimum Standards (NAPLAN). Part of the program also involves training for School Support Officers to improve literacy and numeracy intervention.

Some concerns have been raised about the speed cars are travelling in the parent carpark (at the back of the oval). Drop off and pick up times are very busy with lots of parent/caregivers and children in and around cars so please be mindful of your speed for everyone’s safety. Also some parents/caregivers are walking their children in and out of the school on the driveway rather than using the footpath. This is extremely dangerous with buses and cars moving in and out of the school. Please use the footpath and set a good example to our students.

Woolworths Earn and Learn is back for 2013 and we will be registering our school to participate. From Monday 8th April, when you shop at Woolworths, you can collect Earn and Learn points and place them on a Points Sheet. There will be one Earn and Learn Point for every $10 spent. We earnt a huge amount of points last year thanks to your generosity so I am hoping we can be just as successful this year. Happy shopping everyone!
