**Assembly Awards from Term 2 Assembly**

Variety Bash

The Variety Bash headed off from the main street on Saturday morning, farewelled by many brave (and cold) members of the community. It was a very lively and colourful event and it was great to see our colouring competition winners be acknowledged by the Mayor of Mallala District, Duncan Kennington and received their prize packs. Unfortunately they were mistakenly introduced as being from Mallala Primary School!

RECEPTION TRANSITION

Transition starts in week 7 of this term for those children starting school in Term 4. All children transitioning to Reception from the Two Wells Children’s Centre will be going into Room 12 with Mrs Mel Warren. Times and dates are as follows;

Tuesday 3rd September 8:50 – 10:30 am
Tuesday 10th September 8:50 – 12:30 pm
Tuesday 17th September 8:50 – 1:30 pm

If you are aware of any families who are enrolling children at our school, could you please encourage them to contact us as soon as possible if they have not already filled in an enrolment form.

Thinking of using the bus service?

Thank you to the parents who have returned the bus slip in the last newsletter. The slip appears again this time for those who may have missed it last time.

Repeat: In term 2 we made a fourth bus run to accommodate families who were on a waiting list to use the buses servicing the Lewiston area. These buses are now full again. We are currently reviewing the buses and planning for future enrolments, so if your students are eligible for the bus but do not currently use it, could you please complete the tear off slip and return it to the school as soon as possible.

Behaviour Forms

If your child comes home with a white form (Time Out), blue form (Office Intervention) or Green form (Bus Behaviour) please sign and return promptly so we know that you are aware of what has happened and how it has been dealt with. You will only be informed of what consequences your own child receives, not other people’s children.

Dates for 2013:

Social Media and Primary School Students

The internet has become part of daily life, which potentially exposes us to increasing risks regarding the sharing of personal information. Adults, children and families need to be always alert and protecting themselves while online.

Face book is not legal until a child reaches 13 years of age – therefore until Year Seven there should not be issues and yet the school is often having to deal with cyber bullying and upset children far younger than this.

Tips to stay smart online:

- Make use of the Cybersafety Help Button – easily downloaded to PCs and mobile devices.
- Stop and think before you post any information or photos online.
- Report or talk to someone if you feel uncomfortable or threatened online.
- Regularly check privacy settings on social networking sites.
- Look after each other online.

The Middle Primary camp to Woodhouse was a terrific opportunity for students and staff to cooperate in a different setting. Thank you to Rms 4A and 4B for sharing a day with Mrs C and me last Thursday. The weather was lovely and everyone was busy outdoors with orienteering, cooking and frisbee games.

Congratulations Lauren, from Rm 4A for winning our frisbee competition. The final scores will remain a secret!
School Banking

School Banking Day Reminder
Don’t forget that Friday is School Banking day and students should bring in their weekly deposit. For every deposit made at school, no matter how big or small, students will receive a cool Dollarmites token. The first token will be received upon the first deposit at school. Once students have individually collected 10 tokens they can then be redeemed for a range of great, exclusive reward items in recognition of their continued savings behaviour.

Thank you for supporting the School Banking program at Two Wells Primary School.
